Friday 22nd December 2023

Local Bubbleologist Chloe Ferguson unveils her debut: That Bubble Show

Prepare to be captivated as "That Bubble Show" takes centre stage on April 6th, 2024, at the Princess Royal Centre for Performing Arts. This one-of-a-kind showcase, led by Bubbleologist Chloe Ferguson, is set to redefine perceptions of bubbles through a magical blend of artistry and science.

Show Highlights

"That Bubble Show" promises an enchanting journey into the extraordinary possibilities of bubbles. Audiences will witness intricate bubble sculptures, people inside bubbles, giant bubbles and so much more. Far beyond children's entertainment, this show guarantees a unique experience for all ages, unveiling bubbles in ways never seen before.

About Chloe Ferguson:

Chloe, a seasoned Bubbleologist; Her professional journey includes a Guinness World Record and membership in the esteemed Association of International Bubble Artistes.

In the realm of bubble artistry, Chloe stands as a trailblazer, proudly representing as one of the few female bubbleologists in the UK and one of the youngest in the world. With grace, skill, and a touch of magic, Chloe has carved her space in a field predominantly occupied by male counterparts, proving that the enchanting world of bubbles knows no gender boundaries.

Chloe Ferguson's Vision:

I have been wanting to bring a stage show to life for a long time now, and 'That Bubble Show' is the culmination of that dream. I am thrilled to showcase the possibilities of bubbles, and I am certain you won't be disappointed."

Record-Breaking Achievements:

Chloe holds the record for the world's biggest bubble net and crafts much of her equipment, ensuring a performance that goes beyond expectations.
